Philips
Pressurised ironing system

GC6310

Simple, fast and effective

Double your ironing speed with pressurized steam

The 6310 is created to reduce the ironing time. A constant steam rate up to 85 g/min and a steam pressure up to 3.5 bar that penetrates deep into the fibres delivers an exceptionally fast and professional result even on difficult fabrics.

Easily removes creases
- Vertical steam for crease removal in hanging fabrics
- Continuous steam output up to 85 g/min

Smooth gliding
- Smooth-gliding, durable stainless-steel soleplate

Faster ironing
- Up to 3.5 bars of steam pressure for fast ironing

PHILIPS
sense and simplicity

Pressurised ironing system

GC6310

Specifications

Easily removes creases
- Optimal vent pattern: For the best steam distribution

Reaches into tricky areas
